WARRINGTON PRODUCTION SALE — Providing 43 Lots of Quality, Well Bred Shorthorns.

WEDNESDAY, APRIL 20, 1955 — 1:00 P.M.

RICH HILL, MISSOURI

Sale will be held at the Warrington farm located five miles west, three south and 3/4 east of Rich Hill, Mo., on an "all weather" road. Rich Hill, Mo., is 80 miles south of Kansas City on U.S. Highway No. 71.

SELLING — 9 Bulls, 15 Bred Cows and Heifers, 7 Cows with Calves at foot and 12 Open Heifers

ALVIN T. WARRINGTON, Rich Hill, Mo., because of his advanced age, has decided to divide up his top Shorthorn herd with the public. At his last production sale on the farm in 1952, he found strong buying demand for his Shorthorns from good cattlemen throughout Kansas, Missouri, Arkansas and Oklahoma. In this sale he is featuring the Get and services of **GOLDFINDER'S CUPBEARER 4th**, an outstanding breeding son of the Chicago International first prize winner, Goldfinder's Cupbearer, he by the International grand champion, Goldfinder's Champion. His dam, Bonnie Leader Rosewood, is by Edellyn Royal Leader 23d, and out of the \$2200 Edellyn Rosewood 47th. Featured in this sale are six outstanding young sons of this bull. Also selling is the Warrington junior herd sire, Major Upright, a red coming two-year-old by WL Max Major 14th and out of a daughter of the Oklahoma grand champion, Grandview Upright. Four of these bulls are big, rugged, coming two-year olds ready for heavy service. Five of them are 1954 calves that can grow into top herd bulls.

The females include mostly daughters of Goldfinder's Cupbearer 4th and **SNI-A-BAR BONDSMAN** by Edellyn Campeon Mercury. Included are a wonderful set of open heifers by Goldfinder's Cupbearer 4th that are real foundation material. One of them, Rosewood of High Plains 25th could be made into a winning junior yearling at next year's shows.

Everything sells T.B. and Bangs tested and fully guaranteed. You will like these Shorthorns because of their good quality and bloodlines.

WARRINGTON REDUCTION SALE

Standard Guarantee OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

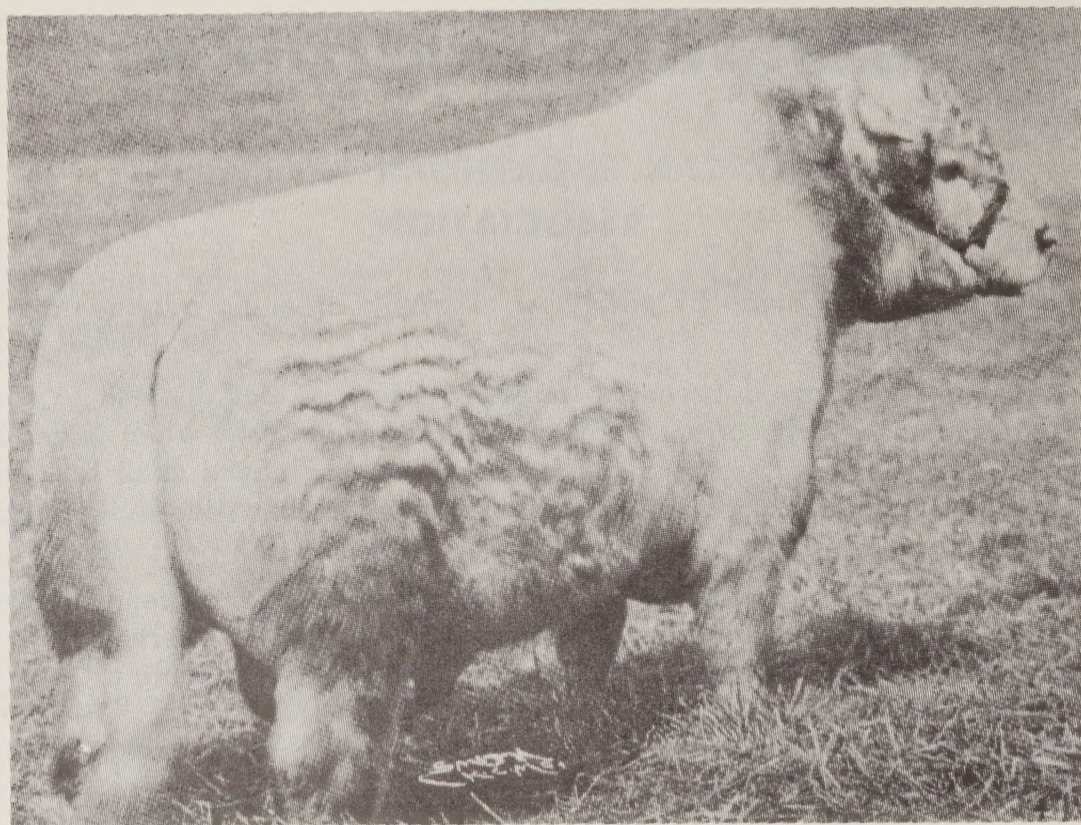

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or county into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

SNI-A-BAR BONDSMAN - This great breeding son of Edellyn Campeon Mercury is well represented in this sale, as he was used liberally on several calf crops. Although ten years of age he is still going strong in a neighbor's herd. His Get all have that typical "Mercury" thickness, heavy quarters, depth, and depth of natural fleshing. The Get of Sni-A-Bar Bondsman have not only done well for Alvin Warrington but for other breeders as well. In the 1951 Kansas State Shorthorn sale at Hutchinson, I. J. Spitzer, Grigston, Kansas, sold a senior yearling son for \$900 to J. E. Van Sant, Fresno, California. In the 1951 Range Bull Performance show and sale at Broken Bow, Nebraska, Raymond Dietz sold a junior yearling son for \$900 to Abner McKenzie, Red Bluff, California.

GOLDFINDER'S CUPBEARER 4th - sired by the International Livestock Show first prize winner, Goldfinder's Cupbearer, that topped the Iowa Royal when Clausen Bros. sold him for \$2,000 to H. V. Reilly, Sergeant Bluff, Iowa. The dam of Goldfinder's Cupbearer 4th is an own daughter of Edellyn Rosewood 47th that H. V. Reilly purchased for \$2,200 in the 1950 Edellyn Farms sale. Bonnie Leader Rosewood is a half sister to Edellyn Royal Leader 114th that has so aptly been called the All American Favorite. There will be six sons and ten daughters of Goldfinder's Cupbearer in this sale and many of the females carry his valuable service. We think he is the best bull we have ever used and you will like the thick, deep bodied, short legged type he consistently passes on to his Get.

MAJOR UPRIGHT — a young red bull that we have used considerably and is only being offered because we are cutting down the size of our herd at this time. His sire was purchased as one of the top bulls in the 1952 Texas National sale at Fort Worth by O. H. Deason & Son, Fort Cobb, Oklahoma, from W. C. Anderson & Son, West Liberty, Iowa. The present outstanding show herd being exhibited by W. C. Anderson & Son, West Liberty, Iowa, contains many individuals that are out of daughters of Killearn Major, half brother to the International grand champion, Killearn Max Juggler. The dam of Major Upright is Grandview Upright, by the \$63,000 Perth champion, Pittodrie Upright. Grandview Upright was the champion Shorthorn bull at the Tulsa and Oklahoma City State Fairs and sired winning steers at Denver, Oklahoma City and Fort Worth.

WARRINGTON REDUCTION SALE

I have had the pleasure of working with Alvin Warrington in the staging of his last three sales. The first at Leoti, Kansas, on April 15, 1950 and the second at the Warrington Farm, Rich Hill, Missouri, on February 15, 1952. It has been pleasing to note that many of the buyers who purchased cattle in these two sales have been fortunate in obtaining some outstanding cattle that have done well for them. Alvin Warrington has always had the ability to select good breeding bulls. SNI-A-BAR BONDSMAN by the noted Edellyn Campeon Mercury, has left his great mark on this herd with his wonderful fleshing, substance and ruggedness. The present herd sire GOLDFINDER'S CUPBEARER 4th, is siring a most uniform set of bulls and heifers. And it is no wonder because he himself is the right kind, backed up by the proper parentage; and in this respect, I call your atten-

tion to the information carried under reference sire C in this catalog. Someone looking for a good young herd sire prospect can well afford to check and inspect both the Lot 1 and 2 bulls. The cattle will not be highly fitted, but will be carrying enough condition to show their quality. The Lot 22 open heifer, Rosewood of High Plains 25th is an outstanding example of the good job Goldfinder's Cupbearer 4th is doing. There were a good many junior heifer calves shown this year that couldn't have beat her. It will pay you well to plan now to set aside Wednesday, April 20th, and be with us at the Warrington Farm.
